# Worship in the New Testament

Reflections

Our Response to God

## WORSHIP AND PRAISE WHO?

Recently, my 8 year old son expressed confusion about the object of our prayer and the idea of worship. He referenced two concerns. **Who do we worship? To whom do we direct our prayer when making a request?** (I cleaned up the grammar a little, but these were his concerns.)

As I visit churches both here and abroad, I have noticed the confusion evident in the prayers and praise uttered by many believers. My sons' confusion was based on the worship services we attended. The songs that we sang randomly directed worship to Father, Son and Holy Spirit. The prayers offered were address to Father, Son and Holy Spirit. There was often confusion, on the part of leadership, as to the direction of prayer and the object of praise.

In this study, we will review the writings of nine New Testament authors in order to find an answer to the above concerns.

In preparation for this study, I exported the New Testament into a spreadsheet and added 3 columns to the right hand side of each verse. The purpose of the study was to determine what the Bible teaches regarding how we are to respond to Father, Son and Holy Spirit. We will focus on the three following questions:

1. How should we respond to Father?
2. How should we respond to His Son?
3. How should we respond to the Holy Spirit?

After extracting every reference made to our actions, I then proceeded to organize the verses and then provided a summary of my findings. To the right side of some

references, you will find, in parenthesis, the number of times a particular action was cited in each writing.

## WORSHIP ACCORDING TO MATTHEW

### HOW SHOULD WE RESPOND TO FATHER?

As we review the gospel according to Matthew, we are informed that Jesus **prayed to** Father (10) and we are directed to do the same. We are to **ask** (9), **seek** (3) and **knock**. We are to **plead for** deliverance from both evil and temptation. We are to **request** our daily bread and the power to forgive. We **pray** that His kingdom come and His will be done on earth as in heaven.

We **worship, fear, glorify** (3), **serve** (3), and **sanctify** His name. We **savor** those things that belong to Him, **do His will** and **love** him with all our heart, soul, and mind. We **bring forth fruit, perform our oaths** to Him and **live by every word** that proceeds from His mouth.

There are also certain things that we are to shun or put away. We do not transgress His commandments or make them of none effect by our traditions. Nor do we worship Him in vain by teaching for doctrines the commandments of men. We avoid calling any man father upon the earth, because God is our Father in heaven. We avoid tempting Him and do not put asunder what He has joined together. In reference to His house of prayer, we do not make it a den of thieves.

### HOW SHOULD WE RESPOND TO HIS SON?

Matthew provides the reader with various examples of those who interacted with Jesus. We are informed that Jesus **was worshipped** by wise men, a certain ruler, a leper, men on a boat who witnessed his power over nature, the mother of Zebedee's children, several women at the tomb and eleven apostles. Matthew states that we are to **believe in, come to** (4), **follow** (15), **receive** (3), **call on** (2), **confess**, and **gather** (3) unto him. We are to **love, honor, and trust him**. We are to **learn from, hear** (3), **have faith in** and **obey** him. We are to **watch** for his coming.

We believe the message of Jesus and understand that he desires to heal us. We **bring to him** all our sick, diseased, tormented, possessed, lunatic, lamed, blind, dumb, maimed and palsied. He baptizes us in the Holy Spirit and saves us from our sins.

There are certain things that we are to avoid. We do not deny him before men or speak a word against him.

### **HOW SHOULD WE RESPOND TO THE HOLY SPIRIT?**

In the gospel according to Matthew, we are to **receive the baptism** of the Holy Spirit. He **leads** and **speaks in us**. We are to avoid speaking or blaspheming against him because there is no forgiveness in this world or in the one to come for those who commit such a sin.

## WORSHIP ACCORDING TO MARK

### HOW SHOULD WE RESPOND TO FATHER?

In the gospel according to Mark, we are informed that we are to **worship, glorify**, have **faith in**, and **honor** him with our lips and heart. As believers, we **love** Him with all our heart, soul, mind and strength. We **do His will**, **savor** those things that belong to Him, **seek** to know the Scripture and **experience His power**. We **pray to** Him as Jesus prayed (5). Our **requests** are made known to Him and we **believe** that we receive the things for which we ask. We do not make His word of none effect nor do we reject or lay aside His commandment. We do not make His house a den of thieves nor put asunder what He has joined.

### HOW SHOULD WE RESPOND TO HIS SON?

According to Mark, the **Son baptizes us** with the Holy Spirit. We are to **see, hear, touch, believe in** and **receive** him (6). We **follow** him (8) and **believe in his power**. We **come to** and **after** him (7). We **gather to** him (4), **receive his teaching, forgiveness** and **healing** (3). He expounds all things to us through his teaching. He sows the seed of his word in our heart. We **repent** and **respond** to him. We **bring our sick** to him. We **believe in** and preach his gospel to every creature throughout the whole world. We **tell of the great things** He has done for us.

We are not offended at him nor are we ashamed of him or his words. We do not harden our heart or limit his power through unbelief. Mark informs us that a demon possessed man worshipped him.

### HOW SHOULD WE RESPOND TO THE HOLY SPIRIT?

According to Mark, we are to **speak by the Holy Spirit** and **allow him to speak through you**. We are **led by** and are **baptized with** the Holy Spirit. We do not blaspheme against him by crediting the work of Christ to an unclean spirit.

## WORSHIP ACCORDING TO LUKE (GOSPEL)

### HOW SHOULD WE RESPOND TO FATHER?

Luke reports that a multitude of heavenly hosts **praised Father** and the angels **declared glory to Him** in the highest. As we approach Father, we are to **draw near** with the understanding that nothing is impossible to Him. We are **amazed by His wonder-working power** and **bless** (2) Him. We **fear** (2) Him from generation to generation. We **rejoice** in (2), **magnify**, and **glorify** (8) Him. We **worship** and **praise** (5) Him for all His mighty works. We seek to **serve** (4) Him alone with fasting and prayers, in holiness and righteousness all the days of our life. We **love** Him with all our heart, soul, mind, and strength. We have **turned to Him** and **walk in** His commandments and ordinances. We **go before His face** and **hallow His name**. We seek to **live by** and **keep every word** that proceeds out of His mouth. When we **seek Him first**, all our needs are met. Our search for truth is never in vain. We **render to Him those things that belong to Him**. Our **prayers are directed to Him**. When we **ask for the Holy Spirit**, He gives it. When we **approach Him**, we request our daily bread, forgiveness, the power to forgive, the ability to shun temptation and deliverance from the evil one. We do not reject His counsel. We do not serve money, instead, we seek to be rich toward Him.

### HOW SHOULD WE RESPOND TO HIS SON?

According to Luke, great multitudes **gathered to him** and he was **glorified by all**. They **acknowledge him as the Christ**, the Son of God and **rejoiced in all the glorious things done** by him.

We **believe** that Jesus has come to baptize us with the Holy Spirit and fire. As his disciples, we **receive** him (4) and are **taught by him**. We **confess him** before men and are not ashamed of his words. We **follow** (15) him, **hear** him (7) and **obey** his sayings. The leper thanked him and his disciples **worshipped** him when they saw him in his resurrected state.

We do not deny or despise him before men. We desire that his words sink down into our ears and we will publish the great things he has done for and in us.

### **HOW SHOULD WE RESPOND TO THE HOLY SPIRIT?**

According to Luke's account of the gospel, we are to **walk in his power**. He comes upon us and **reveals the hidden things of God**. He **moves, leads, fills and teaches us**.

We **receive** the Holy Spirit when Father gives him to us. Take heed that you do not blaspheme against him.

## THE CONCLUSION

As we review the content of the New Testament, we are able to see how Father, Son and Holy Spirit have been addressed historically. What follows is a brief summary of my conclusions.

### FATHER - SON - HOLY SPIRIT

There are some actions and behavior that are directed toward the three persons of the Trinity - Father, Son and Holy Spirit. For example, we are to enjoy fellowship with all three members of the Trinity. We are to hear Father (F14), Son (S13), and Holy Spirit (HS10). We are to abide in Father (F2), Son (S15), and Holy Spirit (HS1). We are baptized into the name of the Father (F1), the Son (S3) and the Holy Spirit (HS1). We are called to live by Father (F5), Son (S5) and Holy Spirit (HS5).

### FATHER AND SON

There are some actions and behavior that are directed toward both Father and His Son. We are to keep the commandments of Father (F9) and the Son (S11). We are to believe in Father (F7) and the Son (S47). We behold both the glory of Father and Son.

We call on (F5) (S3), confess (F3) (S9), glorify (F36) (S2), magnify (F) (S), hope in (F3) (S1), honor (F11) (S2), obey (F3) (S3), please (F3) (S1), and follow (F2) (S59).

We love (F17) (S4) and rejoice in all the glorious things done by (F4) (S1). We have faith in (F5) (S23), seek (F6) (S1), serve (F12) (S4), thank (F29) (S2) and trust (F7) (S3). We have turned to (F1) (S3), walk in live in (F1) (S2) and give wisdom to (F) (S).

### ONLY FATHER

There are also some actions and behavior that are only directed toward Father. We are to lift our voice and show forth His praises as we stand before His face. When we draw near (F2) and come into His presence, we do it with boldness. We are to have confidence in Father. We direct our pray to Him (F23), worship (F28), bless, laud, boast

in, bow to, fear (F12) and praise Him (F17). We are to give glory to Him forever (F4) offer spiritual sacrifices to and do all to His glory. We are to feel after, find (F2) and follow His name.

As His people, we know, do (F4), fulfill and make all our requests according to His will. We bear fruit unto (F6). We are to walk in his commandments and ordinances. We continue in Him (F3) and declare all His counsel. We declare and give dominion to him. We give glory (F7) to, and cast all our cares upon Him. We submit, yield (F3), and humble ourselves before Him.

We are to keep His doctrine. We are to be rich unto Father. We are to savor (F2) and care for those things that pertain to Him. We will do all things heartily as unto Him. We will sanctify Him and His name. We will walk in His fear and be partakers of His divine nature.

There are also several things that we must avoid in regard to our response and relationship to Father. We are not to accuse Him of tempting us with evil nor should we deny Him. We are not to despise His chastening, draw back from, depart from or fail His grace. When He disciplines us, we will not faint.

We will not grieve, prove, provoke to jealousy or tempt Him. We will not corrupt His Word, lay aside, transgress, reject His commandments or make them of none effect by our traditions. We will not make His word of none effect, or pervert His ways.

We will not glory in ourselves or harden our heart (F2). We will not reject His counsel, resist His ordinances or tempt His Spirit. We will not serve money or make His house a den of thieves or a house of merchandise. We will not turn His grace into lasciviousness nor worship Him in vain by teaching for doctrines the commandments of men. We will not put asunder what He has joined (F2) or call any man our father on earth.

## **ONLY THE SON**

In reference to the Son, we are to look to, acknowledge and believe in his name (S4). We have touched, received (S13) and admire him. We bare record to his testimony and are subject to his gospel. We bear witness to him (S2) and have become his disciples. We come to and after him (S18). We cleave to and give him glory (S2). We are growing up in Him. We know (S10), honor (S2), give witness to, learn and live by him (S5). We receive eternal life from him (4).

There are nine references to Jesus being worshipped by individuals and groups in the four accounts of the gospel. There are no reference to the worship of Christ in the remainder of the New Testament.

There are also several things that we must avoid in regard to our response and relationship to the Son. We will not be ashamed of him or his words before men. We will not be offended at him. We will not deny, despise, or speak evil of him before men (2). We will not crucify him afresh, neglect his great salvation or put him to open shame. We will not harden our heart nor will we limit his power through our unbelief.

## **THE HOLY SPIRIT**

As we review the pages of the New Testament, we are also able to see how we are to respond to the Holy Spirit.

We are to enjoy communion and fellowship with him. When we speak the word of faith, we minister the Holy Spirit to others. We are to be led by, live in (4), and walk in (HS3) the Holy Spirit. We are to abide in his anointing and allow him to write the epistle of Christ on the tablets of our heart. He are to be filled and baptized with and by the Holy Spirit. We have been born by and have our beginning in him. We hear and listen to him. He speaks to us often. We drink the Spirit and he empowers us to bear fruit. He justifies us.

We mind the things of the Spirit. It is through the Spirit that we obey the truth. We pray in (2), sing in, bless in and speak in the Holy Spirit. We keep all the things he has committed to us. We keep the unity of the Spirit. We know him. We sow to the Holy Spirit and reap everlasting life.

He leads (4), moves, seals, strengthens, and washes us. We mortify the deeds of body by Spirit. We are to receive the gift (7) and earnest of the Holy Spirit. We are to receive his power, witness, revelations, and promise. We are renewed, indwelt, and taught (2) by him. His anointing teaches us all things. He reveals the hidden things of God to us. He not only speaks to us, but in and through us. We walk in his power and wield his sword.

#### **ONLY HOLY SPIRIT NEGATIVE:**

There are also several things that we must avoid in regard to our response and relationship to the Holy Spirit.

Not all possess the Holy Spirit. We will not blaspheme against (3), grieve, lie to, quench, resist, tempt or speak against the Holy Spirit. We will not do despite to the Spirit of grace.

## QUESTIONS ANSWERED

We began this study by expressing several concerns. **Who do we worship? To whom do we direct our pray when making a request?**

### **Whom do we worship?**

There is evidence of Jesus being worshipped in three of four accounts of the gospel. Matthew provides us with 7 examples (The wise men, a leper, a ruler, men who witnessed his mastery of nature, the mother of Zebedee's children when requesting a position for her two sons, several women who witnessed the resurrection of Jesus and the eleven disciples) Mark, in his gospel provides one example of Jesus being worshipped. (a demon possessed man approached and worshipped him calling him the Son of the Most High God). Luke also provides us with one example of Jesus being worshipped. (Men who watched Jesus ascend into heaven worshipped him). It is interesting to note that there is no evidence of the worship of Jesus in the writings of John, Paul, Peter, James, Jude, or the writer to the Hebrews.

Who do we worship? The focus of worship appears to be Father. Jesus himself bears this out while being tempted by the devil in the wilderness. Satan asked Jesus for worship. Jesus stated that worship belongs exclusively to Father. The rest of Scripture bears this out. As we boldly stand in His presence, we are to lift our voice and show forth Father's praises. We are to offer spiritual sacrifices to Father. We are to praise Him alone (17 times) and give him glory forever (11 times). Jesus taught us that Father sought after those who worship Him in Spirit and in truth.

In the book of Revelation, John states that 24 elders cast their crowns before the throne, fell on their faces and worshipped God who lives for ever and ever. We are told that four beasts also fell down and worshiped God. The four beasts and all the angels in

heaven stood around the throne and worshipped. An angel informed men to fear God, give him glory and worship him.

The writer to the Hebrews informs us that all the angels were instructed to worship Jesus, but not once are any specific instructions given which indicate that we are to worship the Son or the Holy Spirit.

### **To whom do we direct our pray when making a request?**

According to the writers of the New Testament, we are instructed to direct our prayers and make our petitions known to Father alone. While Jesus taught his disciples to pray, he informed them that they should direct their pray to "Father, in heaven..." Jesus models this direction of prayer. As we review the four accounts of the gospel, we find there are 28 references to Jesus directing his prayers to Father. (Matthew: 7 references; Mark: 5 references; Luke: 11 references; John: 5 references) In the other writings of the New Testament, we have two examples of Jesus praying to Father. (Hebrews: 1 reference; Romans: 1 reference.)

The writers of the New Testament agree. We are taught to pray to Father (23 times). On three occasions, we are informed that we should pray to Father in Jesus' name, but not once are we instructed to pray to Jesus or the Holy Spirit. In fact, we are taught that Jesus and the Holy Spirit intercede and pray for us according to the will of Father.

This study is not intended to detract from the wondrous work Christ accomplished for our redemption, nor is it presented to weaken our doctrine of the Trinity. It is written to avoid confusion related to the two issues in question. My conclusion is that we are to worship Father in Jesus' name. We are to present our requests to Father in Jesus' name. Our access to Father and the fact that we are able to enjoy His awesome presence is made possible ONLY by the work accomplished by Jesus Christ and through the agency of the Holy Spirit.

**Note:**

It may seem that the teaching presented here is an unnecessary and obvious truth, but the fact is that, contrary to the teaching of Scripture, churches across the world will continue to offer sacrifices of praise and worship to Father, Son and Holy Spirit. Contrary to the truth of Scripture, they will continue to direct their prayers to Father, Son and Holy Spirit. If we are to enjoy the blessing and outpouring of God's Holy Spirit, we must align ourselves to the truth as it is found in the Word of God. Recently, while gathering with an organization which consists of hundreds of church worldwide, I was struck by the fact that its leaders direct their prayers and praise to Jesus alone. When I heard the members of this organization pray, they likewise direct their prayer and worship to Jesus alone. While visiting various Community churches in the area where I live, again, I was struck to discover that there is confusion about the object of our pray and praise.
