To Whom It May Concern,

As pastor of Primera Iglesia Bautista, it is my pleasure to recommend Armando Rodriguez for any endeavor that requires critical thinking and great organizational skills. In the 20 years that I have observed him, he has always had a pleasant demeanor as he works with people in various settings.

He is efficient and effective and takes the time to engage coworkers and the public with a genuine interest in how they are doing. He is a morale booster, always smiles, never complains and is trustworthy when it comes to confidential information.

Any organization that employs him will find Armando to be a valuable asset.
